Dear Ms. Massie:

The Black Student Union here at Middlebury College is beginning a library and is most interested in ordering books, papers and other works by black writers. Black Scholar Magazine publishes a reference book entitled Black Book Roundup which lists the various black authors and publishers around the country. We would be most appreciative if you would send one copy of that book.

Thank you in advance for your valuable contribution to our fledgling effort. Any other information that you think might prove helpful, would be greatly appreciated.

Sincerely,

Cynthia A. Shaw
Assistant Dean of Students
